TEST OF A GOOD BOOK.

That is a good book which is opened with expectation and closed with profit. It is a wise book that is good from little page to the end. One masterpiece, fairly mastered, prepares the reader to master the great pieces of literature. The encyclopedia of details may be left for less occupied and thoughtful moments. — Anna Brown Alcott.

OPENING ANNOUNCEMENT
To the People of Tulsa

Mr. and Mrs. H. J. Thompson wish to announce that they have opened a bath establishment at 318 East Fourth street. Treatment rooms have been outfitted and baths of all kinds will be given, including Turkish, vapor and electric light baths, hot packs, Swedish massage, physical culture, electrical and vibratory treatments.

Mr. and Mrs. Thompson have been until recently connected with the Tulsa Sanatorium and bath house and can refer to the most respectable and prominent citizens of Tulsa as their customers.

City water is not used FOR ANY PURPOSE, but instead we have an unlimited supply from two private wells, each 275 feet deep. This water contains sulphur and other beneficial mineral properties. This water acts as a mild laxative and when used with colon massage, corrects constipation.

We cordially invite you to visit and inspect our new rooms.

HEALTH HAD
GOT RUN-DOWN

But Cardui Built Up Her Health
And Strength So She Could
Do Her Work

Etowah, Tenn.—"About 5 years ago," writes Mrs. Lillie Carden, of this place, "I first took Cardui. Dr. said I was suffering with ulceration and turned over to one side. I suffered great pain in lower abdomen and back. For 1 or 2 years the pain had been irregular and came about every 2 weeks, and I suffered great pain. Would cramp so I couldn't get up and do my work. Sometimes the pain would last 4 or 5 days and come too much, which seemed to cause me to suffer very much. I would be up and down in bed for 4 or 5 days. When I'd take the Cardui through the period, the pain would be less and not last so long—only something like 3 days, and the suffering would be entirely relieved.

My health had got run down and the Cardui would build up my health and strength and keep me going and out of bed, so I could do my work. It hurt me to even sweep my floor when I began it, but got so I could do the most of my work, and I didn't suffer any more, had no more cramps."

Cardui, the woman's tonic, has proven its efficacy in the treatment of womanly troubles. Try it.
